The screenshot illustrates the process of searching for courses on the ACPC website. It shows three 3D pie charts at the top, each representing a different course category with its respective counts: 117, 10, and 1. Below these charts is a search bar with the text "SEI/ITech" and "COMPUTER ENGINEERING". A blue arrow points from the search bar to the "List of Available Courses" section, which displays a table of courses.

Search Results Table:

Institute Name	Branch Name	Course Type	Class	University	Fee	Website	Boys Hostel	Girls Hostel	Minor	Transport
L.O College Of Engineering, Mumbai	COMPUTER ENGINEERING	Govt	Undergrad	National Technological University	1500 for Boys 500 for Girls	http://www.lcoe.ac.in	Yes	Yes	Yes	Yes
VidyaMangal Government Engineering College, Chikankheda, Gandhinagar	COMPUTER ENGINEERING	Govt/GA	Undergrad	Gujarat Technological University	1500 for Boys 500 for Girls	http://www.vmgce.ac.in	Yes	Yes	Yes	Yes

The table shows two results for Computer Engineering courses. About choice filling

- Single choice list based on two quotas : GUJCET based and JEE
- Best choice will be allocated to you
- **DO NOT CHANGE YOUR PRIORITY** due to this
- You can surely fill maximum choices all shown to you.
- During the choice filling round candidate can
 - Add choice
 - Alter priority
 - Remove Choice
 - Lock / Unlock Choice
- If you forget to lock your choice on last day, the same will be deemed locked.

- **Accreditation** is a process of quality assurance and improvement
- The purpose of the accreditation by NBA / NAAC is to promote and recognize excellence in technical education in colleges or universities.
- Institutions, students, employers, and the public at large all benefit from the external verification of quality provided through accreditation process.
 - Encourages quality improvement initiatives by Institutions.
 - Improves student enrollment both in terms of quality and quantity.
 - Helps the Institution in securing necessary funds.
 - Enhances employability of graduates.
 - Facilitates transnational recognition of degrees and mobility of graduates and professionals.
 - Motivates faculty to participate actively in academic and related Institutional / departmental activities.
 - Helps create sound and challenging academic environment in the Institution, and
Contributes to social and economic development of the country by producing high quality technical manpower.

Updated List of NBA and NAAC accreditation is available on website

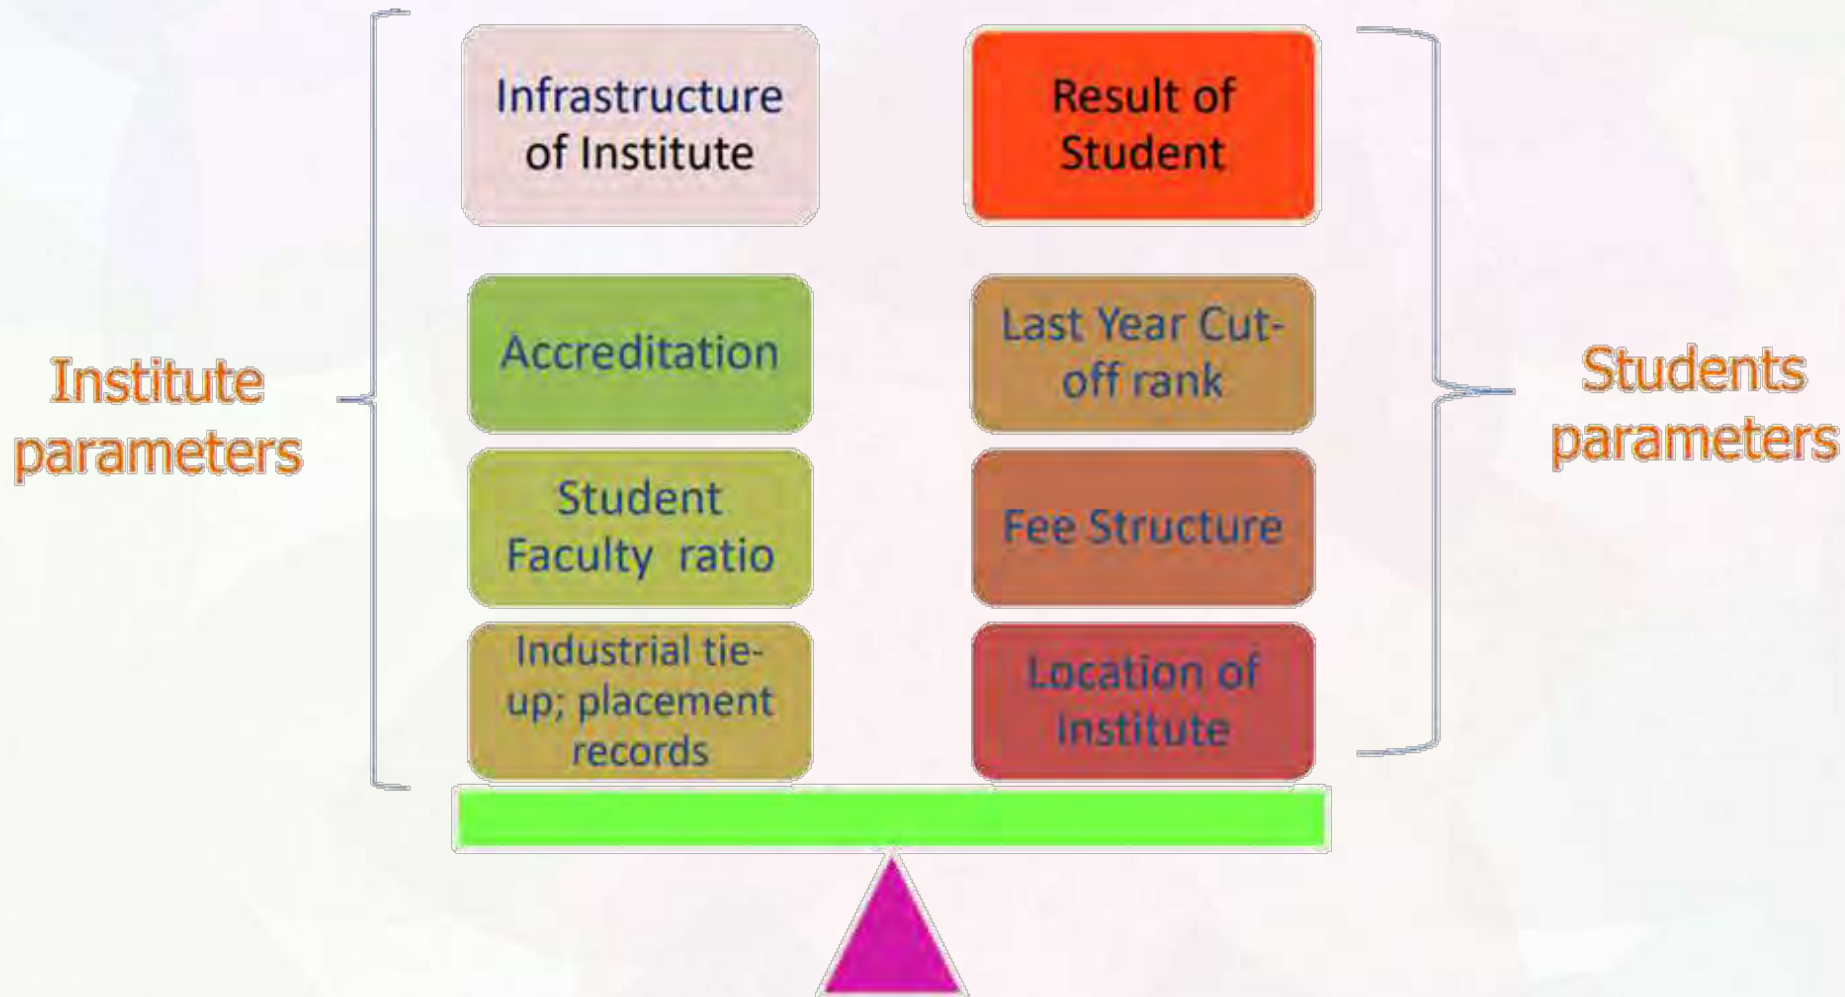

Best practice for choice filling

- First identify the institutes and branches where you are interested to take admission.
- The list shall be as large as possible.
- Do not miss to include top most priority even if your merit does not match to it.
- As well as do not miss to include those choices in your list where you are comfortable to get admission even may be lower cutoff than your merit rank.
- Arrange them in priority, like first keep those choice where you want to take admission first including TFWs choice.
- Then think that if you are not able to manage admission there due to low merit cut off what could be the next choice. Prepare list like this. And make it as long as possible.

How to choose course / Institute

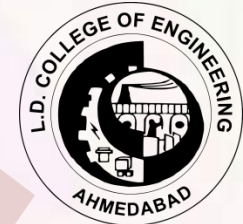

- Student's result of the qualifying examination
- Liking of the student for the course / institute
- Financial capacity of the Parents / Guardian
- Selection of Institute may depend upon;
 - Cut-off marks of last year (data available in booklet/website)
 - Infrastructure facilities available at the institute
 - Faculty qualification and faculty retention ratio
 - Research activities at the institute
 - Placement and tie-ups with industries
 - Personnel visit of the institute
 - NBA accreditation or another similar accreditation

How to choose course / Institute

Parents and Students are advised to visit maximum institutes of your choices personally..
